

Pierre Sigonney

Chief Economist, Corporate Strategy of Total

Pierre Sigonney is the Chief Economist of Total, at the Corporate Strategy of Total. He is following for the Total group the evolution of economic activity and the oil and gas markets in the short term and the long term, on the upstream and downstream sides and their impact on Total strategy. He is especially interested in the long term supply of oil, working with the specialists of resources in Total.

Before he joined Total in 1999, he worked at the French Ministry of Finance, in the Treasury Department, following economic activity.

He graduated from Ecole Polytechnique France in 1981, and from Ecole Nationale de la Statistique et de l'Administration Economique in 1983.
Master in International Economics and Finance at Paris Dauphine University (1983)
