

Nicolas de Germay

Chief Operating Officer WPC

Nicolas de Germay acts as COO of WPC since its first edition in 2008.

Nicolas is also chairman and founder of Alandia, an investment company founded in 2010 by leading French business entrepreneurs. Alandia is an industrial investor that invests in companies facing strategic positioning issues and requiring strong operational involvement.

He seats, or seated, at several Advisory Boards such as British Telecom or PWC. He published a book on globalization in June 2010: "Mondialisation, un autre regard" and one on restructuring issues in France (2015).
