

Yves Jegourel

Senior Fellow, OCP Policy Center
Associate professor in finance at the University of
Bordeaux

Yves Jégourel Senior Fellow at OCP Policy Center and associate professor in finance at the University of Bordeaux (France). He is also an affiliate professor at Toulouse Business School. Y. Jégourel conducts research in commodity economics and financial risk management. His most recent research examines the link between the volatility of the futures market, exchange rate uncertainty and the export of cereals. He is also the head of a master program focused on banking, finance and international trading both at the University of Bordeaux and at Vietnam National University (Hanoi, Vietnam). Dr. Jégourel has authored several books in the field of finance, including a work studying financial derivatives. He holds a BA from Middlesex University and a MsC and a PhD from the University of Bordeaux, and is a former auditor with the Institute of Higher National Defence Studies (IHEDN).
