

Arash Duero

Directeur général de Big Picture Strategy LLC

Mr. Arash Duero is the Managing Director of UAE-based Big Picture Strategy LLC, a consultancy that specializes in communication and marketing services for clients in the energy, climate and natural resources sectors. Moreover, he is a Principal at Strategic Minds Company, a founding company of the Berlin Advisors Group (BAG), where he heads its energy, infrastructure and commodities operations and has for over a decade provided strategic advice to a wide range of clients across multiple industries and functions. These include national governments, EU institutions, public and private corporations, infrastructure operators, SPVs, as well as national and international organizations.

Mr. Duero regularly serves as a Senior Expert at Roland Berger Strategy Consultants, is an Advisor to the Global Gas Centre, a Member of the German Economic Council, and a contributor to the Atlantik Brücke's Working Group for Natural Resources and Critical Raw Materials. In addition, he has been appointed to lead expert witness teams in several high profile arbitration proceedings for clients operating in the energy sector. Moreover, Mr. Duero is Head of Strategic Programs at the European Cluster for Climate, Energy and Resource Security (EUCERS) at the Centre for Advanced Security, Strategic and Integration Studies (CASSIS), University of Bonn.

He previously worked at the European Commission's Joint Research Center (JRC) - Institute for Energy in the Netherlands, as a researcher at the Environmental Policy Research Centre (FFU) of the Free University in Berlin, as a research associate at the Berlin Centre for Caspian Region Studies, was part of the Resilien-tech Working Group of the German National Academy of Science and Engineering (ACATECH) and was a Senior Fellow at the European Centre for Energy and Resource Security (EUCERS) at King's College London. He has also served as an adviser and peer-reviewed various International Energy Agency (IEA) publications. As a researcher, he has published on a number of energy related topics in scholarly journals and other publications, including for Energy Policy, the Bosch Foundation and the German Foreign Office.

A native of Savannah, Georgia, USA, Mr. Duero studied economics at Georgia Southern University and holds an advanced degree in Political Science with a focus on Macroeconomics and International Energy and Climate Policy from the Free University in Berlin, Germany. He is based in Dubai and, in addition to his native tongue of English, speaks German fluently.
